VISION

To be recognised as a leading brand in Cookware fulfilling our promise of Healthy Cooking. The 'essentials' in our name stands by our vision, which is to keep upgrading ourselves in such a way that our consumers come back to us for their 'Kitchen' essentials, which are the absolute basics. We will excel in our work to meet our ultimate aim of market leadership. Kitchen Essentials has identified their Sustainability goals.

MISSION

We, at Kitchen Essentials, believe good health comes out of great cooking. Since day one, it has been our mission to craft products that converge the best material with a high design factor thus reaching our goal of 'Rasoi ka Makeover'.

This aids us to continually grow in newer and existing markets. We innovate to stay ahead of the times. Additionally, we keep our commitment to mankind alive by reducing our Carbon footprint. We have forged long-term partnerships with our client partners, vendor partners & employee partners to achieve this mission.

Founded in 1980, Kitchen Essentials (KE) began by producing quality stainless steel kitchenware. Over time, KE expanded into a wide range of cookware in Stainless Steel, Aluminium, Hard Anodised, Non-Stick, Triply, Impact Forged Bottom Stainless Steel Cookware, Forged Ceramic Cookware, Forged Hard-Anodised Cookware, PVD Coated Cookware and Dinnerware, Cast Iron Cookware and SS Dinnerware. KE Pressure Cookers undergo 7 to 12 stringent safety tests.

KE has 2 massive state-of-the-art automated plants spread over 12 acres, powered by Solar energy, Rain Water Harvesting, ETP & STP for reducing our Carbon footprint. With ISO 9001:2015 certification, KE ensures high-quality, stylish, and durable products. Most products of KE are BIS certified. Today, KE is India's largest manufacturer of tempered glass lids, with a reputation for excellence in both domestic and international markets. KE is committed to sustainability and continually innovates to meet customer needs, fulfilling its mission of promoting safe & healthy cooking.

HARD ANODISED COOKWARE

INTRODUCING OUR NEW COOKWARE RANGES

FORZ FLUTE

HARD ANODISED COOKWARE

Built for everyday durability, the **Hard Anodised Range** features a tough, non-reactive surface that preserves food's natural taste. Forged under a 5000-tonne press, it delivers dependable strength, stability, and long-lasting performance.

FORZ FLUTE

CERAMIC COOKWARE

Healthier cooking meets modern elegance with the **Ceramic Range**. Featuring premium ceramic coating inside and out for low-oil cooking, easy cleaning, and smooth food release, it is crafted under a powerful 5000-tonne press for lasting performance.

KE TRIPLY

GOLDEN TOUCH

Combining premium aesthetics with superior performance, the **PVD Triply Range** features food-grade triply construction for even heat distribution and induction compatibility. Designed to perform, built to last, and crafted to elevate every kitchen.
